August 2016

Dear Student:

It is my pleasure to **WELCOME** you to West Morris Central High School. As you begin your high school journey, you will quickly see the involvement of our student body and the commitment of their advisors in the various activities we offer at WMC.

We have approximately forty-six clubs and activities. A wide variety of clubs is offered in an attempt to serve the needs and interests of our students. It is our hope that every student participates in some extra-curricular activity. Involvement in any school activity provides you with the opportunity to develop your interests while forming long-lasting relationships with peers.

Each year, an Activities Fair is held in September. This event allows students to talk to previous club members and/or advisors about a specific club. During the year, most clubs meet either during lunch periods or after school. Meeting times and places are usually announced or posted on the Activities Board.

I encourage you to consider a club and/or clubs as part of your high school experience. We look forward to your involvement.

Sincerely yours,

Kent Schilling
