

Annemarie Steffan

Assistant Principal

Dean of Students

Lead Teacher - Special Education/Home Economics

Special Education Teacher

Proud member of the WMC community for thirty years, outstanding special education instructor, advocating for inclusion of students with disabilities into the mainstream community and ensuring that needs of every student was addressed. As a voice for students with disabilities, she made improvements in programs and facilities. An exceptional administrator, known for her fairness, strong leadership skills and her voice of reason. She led the attendance and I&RS committees, exams schedules and loved working with the new teachers on classroom skills and blending into the school culture of WMC.

Her love and first passion was meeting the requirements of students with unique needs.

"I am honored to be selected For the Wall of Fame and to be placed among so many of my mentors and dedicated educators. The faculty, staff and students of West Morris will always be considered family and will forever hold a place in my heart."
