

# Frank Homer

1966-2009

Teacher of Chemistry and Physics 43 years

Model Rocket Club

Class Advisor

Right-to-Know Officer

Chemical Hygiene Officer

Researcher for US Army

Frank cared deeply for each of his students regardless of ability. He loved to teach the precepts of science through original and exciting demonstrations. Many of his students were inspired to go on to successful careers in the sciences. One of Mr. Homer's chief priorities was the health and safety of all students and faculty.
