

Gilbert E. Moscatello

1971 - 2012

Gil's long service at West Morris Central encompassed all aspects of the school community. Gil served as a teacher of Industrial Education, an Assistant Football Coach, Supervisor of Electives, Assistant Principal, & Acting Principal. Gil's passion for architectural design and building was instrumental in major renovations and additions throughout the school, including the library, science labs, music facilities, administrative offices, gymnasium, field house, and auditorium. As chair of the Strategic Planning Technology Committee, Gil launched the school's integration of technology into all aspects of the academic program. Known for his sincere commitment to the profession of education, his loyalty to colleagues, and his ability to get a job done, Gil truly earned his reputation as one of the most admired and respected educators in West Morris History.
