

## Joseph Thomas

History Teacher - 1965-2002  
Tennis Coach - 15 years  
Instructor - Evening Division of  
County College of Morris - 15 years

Mr. Thomas encouraged his students to think for themselves, to debate controversial issues, to write essays in order to articulate their views and to listen and respond to ideas contrary to their own. Above all, he demanded excellence from himself and his students.

"History is argument without end"  
*Pieter Geyl*

"The pursuit of truth will set you free  
even if you never catch up with it."  
*Clarence Darrow*
